

Over 250,000 bird collisions

occur with windows annually in Ottawa.
Many result in death.

Residential
Buildings

44%
Collisions

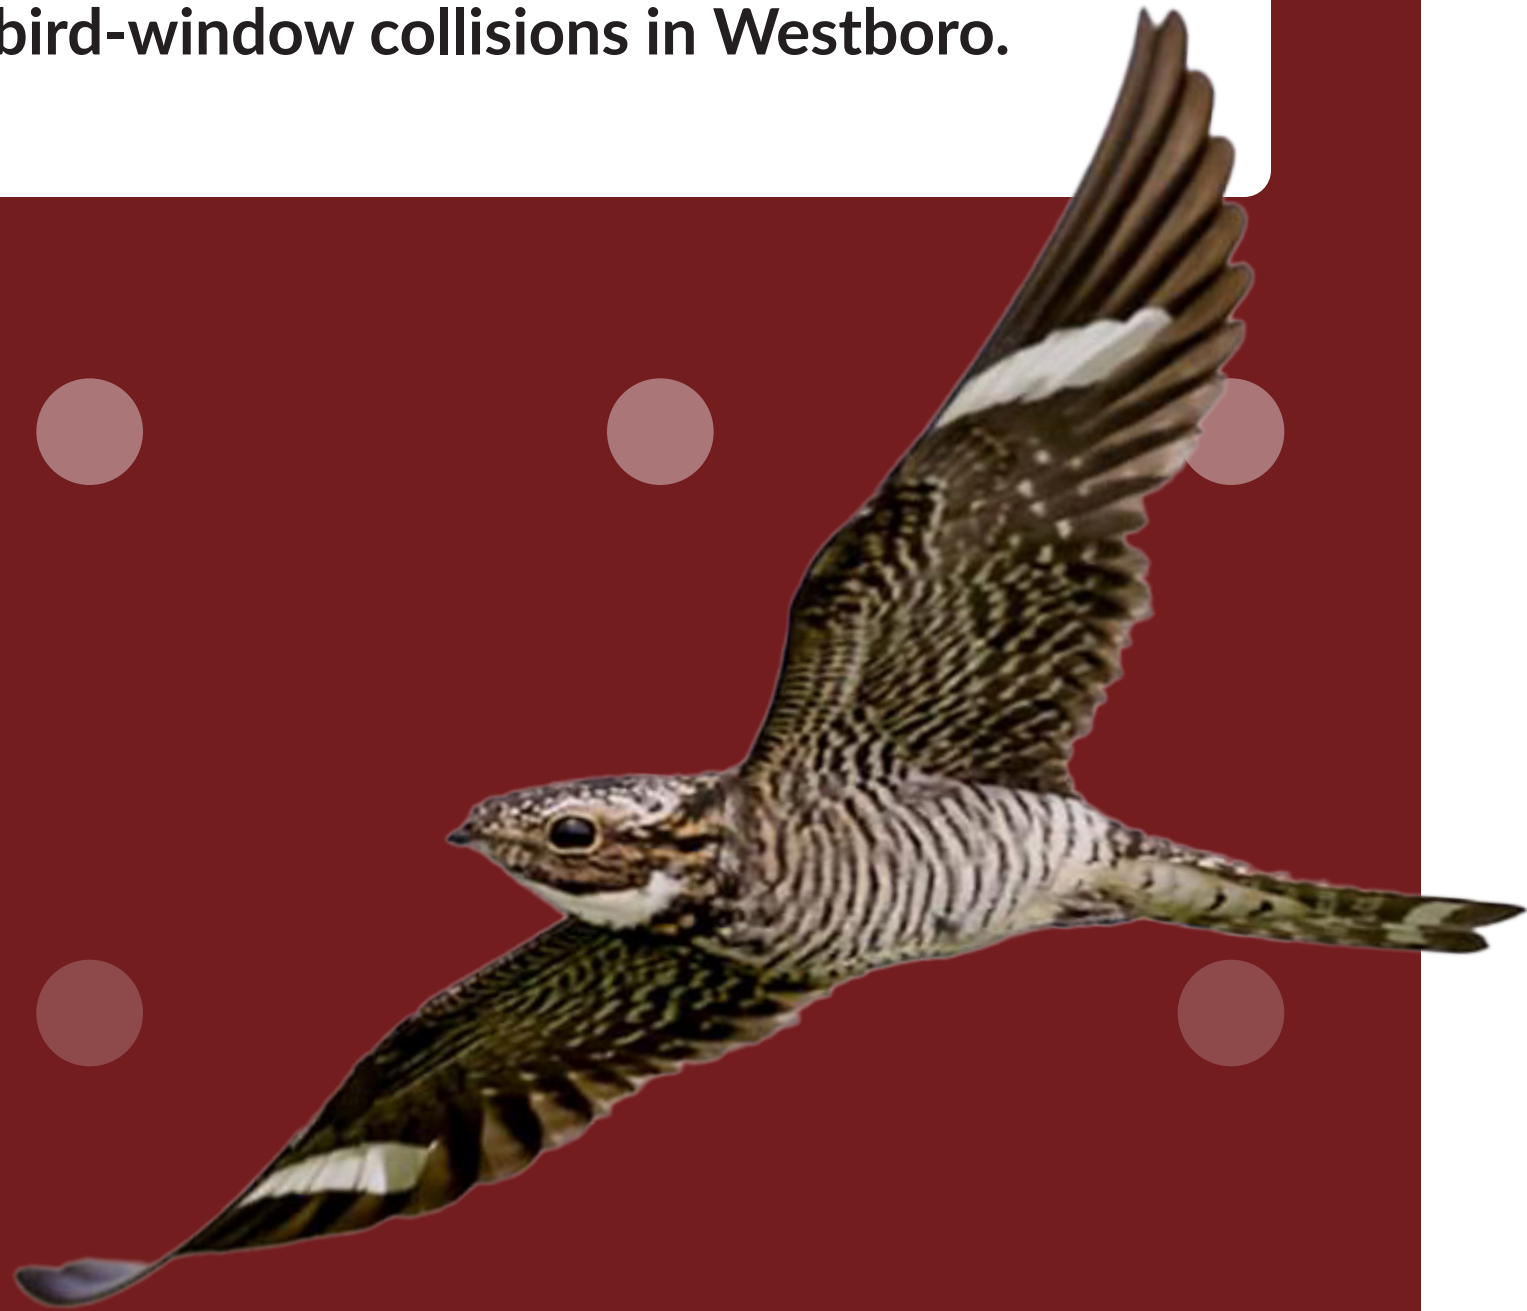

Westboro residents can help
reduce window collisions through
participating in the following
survey.

**Know that
your opinion
matters!**

PURPOSE

The community engagement team involves Westboro Community Association, Safe Wings Ottawa, Community Associations for Environmental Sustainability, Carleton University Sociology Department, Biology Department and students.

Our purpose is to establish community relationships, education and distribute a survey of residents' perception of bird-window collisions in Westboro.

HOW TO

PARTICIPATE

You can contribute to community action through completing the 5 minute survey. Please use a digital device to access the QR code survey or follow the URL link:

https://carletonu.az1.qualtrics.com/jfe/form/SV_2hj2SeDwjiiKCuw

INTERESTED IN MORE INFO?

For additional questions, concerns or ways to get involved, please contact us. **We look forward to building community relationships and empowering change!**
